PURPOSE

The purpose of Showdown is to bring together MSAs and Muslim students all across the state of Texas in the spirit of healthy competition and unity. This event is a manifestation of the MSA Lone Star Council's understanding that through cooperation, we can achieve much more than we can individually. As we continue to work at local levels, we recognize that each MSA is part of a national and global movement working to bring positive change among Muslims and the society at large. By participating in this event, we are coming together in an act of good and joining a movement that will impact the masses through the will of Allah (SWT) and our efforts, InshAllah.

ABOUT THE LONE STAR COUNCIL

The MSA Lone Star Council (LSC) is a coalition of MSAs across the state of Texas whose primary purpose is to unify MSAs for the sake of Allah (SWT). Since 2002, LSC has served as a forum for efficient and effective interaction between the various MSAs in Texas by focusing on networking, training, and the development of Muslim student leaders. LSC operates with the understanding that through cooperation, we can accomplish anything. We serve with the primary purpose of being the meeting ground for goodness.

Please reach out to bod@msa-texas.org for any questions, comments, or concerns.

PAVING THE PATH TO GREATNESS: A COMMITMENT TO EXCELLENCE

"The Prophet (peace be upon him) said, 'Allah loves that when anyone of you does a job, he does it with excellence.'"

Sahih Al-Bukhari (468)

"Indeed, Allah commands justice, excellence (Ihsan), and giving to relatives, and forbids immorality, bad conduct, and oppression. He admonishes you that perhaps you will be reminded."

Surah An-Nahl (16:90)

In the fast-paced modern life of a Muslim, it is easy to tolerate and accept mediocrity, so long as it gets us by. The relentless effort – from just getting through school, to just searching for a job, to just achieving a sense of safety – and for the fortunate – to starting a family – can make it easy to settle. We accept the bare minimum to move through life. However, Islam teaches us to strive far beyond this. Islam teaches us to be intentional in our actions toward our aspirations, to be leaders in our respective fields, and to highlight and empower our skills.

Ihsan translates to Excellence. It is our duty and obligation as servants of Allah (SWT) to practice excellence in our everyday lives. To strengthen our ummah is to strengthen ourselves. Just as the prophets had ambitions beyond themselves, just as the sahaba took pride in their skills, just as the Islamic Golden Age established the frameworks for modern-day mathematics, sciences, art, and medicine – we must usher in ihsan in this ever-changing world.

Individual Submissions

Each competitor must be registered by the early registration deadline. Check the rules, submission forms, and ballots to determine what must be submitted prior to Showdown. All submissions and rosters must be submitted on the LSC website. Online submissions will NOT be accepted after 11:59 PM CT on the day of the deadline.

Competition Roster Forms

All competitions have a limited number of spots available per school. The MSA President or Showdown Coordinator will submit two rosters: a sports roster and a competition roster. For sports, rosters will declare captains and vice captains of each sports team and a list of all the team members for the sport (with their name, phone number, and email). LSC will email each registered MSA's President and/or Showdown Coordinator a password-protected link to access the competitions & sports rosters on the LSC website and must be completed by the deadline of Wednesday, March 5th. Competitors that are not registered by the early registration deadline will be dropped from their competition.

Submitting Rosters

LSC will email each registered MSA's President or Showdown Coordinator a password-protected link to access the competitions & sports rosters on the LSC website. When clicking this link, you'll be prompted to enter a password that was emailed to you. Only one submission of each form is allowed per school. Do not submit roster forms until all information is complete. Feel free to use LSC's Roster Template for internal use to coordinate the team in order to make your MSA's roster submission process as easy as possible.

CHANGES FROM PREVIOUS SHOWDOWNS

- Alumni of 3 semesters (**Fall 2023 and after**) are **allowed to compete** at Showdown. Contact the MSA President or Showdown Coordinator to be included on the rosters.
- All competitors **MUST** be registered **by the early registration deadline** or they will be **dropped** from the roster.
- All competitors were previously given ID numbers after registration, which would have been used for all competitions. ID Numbers **have been removed from all competition requirements** and any Showdown-related documentation.
- All competitors are required to use their Name and School for all pre-submissions and for all competition check-ins. All competitors **MUST** wear their Showdown wristband during the duration of their competition. Failure to do so may result in disqualification.
- **Brothers' & Sisters' Pickleball, Chess, and Volunteering** have been added as brand new Showdown competitions.
- **Brothers' & Sisters' Track** has been removed as Showdown Competition
- Individual tasks completed for #RacetoShowdown2025 are worth 1 Showdown point.
- Competitors **can only compete in 1 sport for the duration of the weekend**. This means that one can only choose 1 out of the 6 sports. The previous exception for E-Sports & Table Tennis is **no longer** applicable.
- Any sports captain that **does not attend** the Captains' meeting on Saturday, March 15th @ 4:00 PM CT, or **give 3 days prior notice of absence** to LSC or the Sports Chairs will have their **team disqualified** from the competition (i.e. volleyball captain from UH does not show up, nor does she give prior notice, will have her team not playing on Saturday at all).
- Game clocks will be on a running format and will only be stopped for timeouts called by the teams. Teams will be allowed one timeout per half.
- Playoff seeding will be determined by the overall record during prelims. Prelim games that end in a tie by the end of regulation will not continue over time. The game will simply end in a tie. Those team's seeding will be determined by point differential. Ties on point differential will be decided on head-to-head matchups from prelims.
- **Flag Football** will follow Rice's intramural rules and regulations. Any standard flag football rules regarding rushing and blocking will still apply; however, the additional 'partial contact' modifications previously introduced have been **removed**. Gameplay will be conducted as no-contact.
- **Outdoor Soccer** tournament play will be 7 v 7.
- The following policies for sports regarding behavior will remain in use:
 - Referees, sports (tournament) heads & chairs, and LSC will automatically disqualify any individual or team for fighting, unsportsmanlike conduct, or any other behavior deemed inappropriate by the organizers. Arguments will result in an offense and/or possible deduction of GAME POINTS.
 - All competitors will be required to present a photo ID and badge before play begins.

- **Sports Coalition Rule:** In an effort to **promote fairness and maintain the integrity** of our sports competitions, we have implemented an official coalition clause for this year's sporting events. The following rules apply to students and alumni that are registered with their university:
 - **For MSAs with a population 200+ members (Tier 1), the following rules apply:**
 - *Team Composition:* Teams from a **Tier 1** MSA are **required to consist solely** of students from their respective school.
 - *ID Verification:* All team members must **undergo ID verification** at the time of registration and check-in. This verification process ensures that each team member is representing their respective school.
 - *Disqualification:* Failure to comply with these requirements will result in the **immediate disqualification** of the non-compliant team member.
 - **For MSAs with a population less than 200 (Tier 2-3), the following rules are in place:**
 - *Team Composition:* While these MSAs may not have a sufficient population to form a complete team, they are **allowed to collaborate** with any **Tier 2 or Tier 3** school in order to fill up a roster (i.e. Rice x UHCL)
 - *Coalition Teams:* These teams, formed as **coalitions** of students from different schools (**Tier 2 or 3**), are permitted to compete to ensure a full roster. Points will be **awarded to all schools** who partake in the coalition team **contingent on placing** (i.e school A and school B compete in one team together as a coalition and earn first place (15 points), both school A and B will receive the 15 points). However, School A and B **cannot have their own separate team** in that respective sport.
 - Schools that have **incomplete rosters**. Please reach out to **LSC for further assistance**.
 - **Additional Rules**
 - No one person may play in place of another team in any circumstance. If a full team is not present at the competition at the allotted time, that team will be **disqualified**.
 - **FAQ**
 - If I go to a Tier 1 MSA and don't make the team, can I try out for a small school (<200)?
 - **Yes**, but you must register under that Tier 2 or 3 school.
 - How can I participate if my school does not have an MSA and/or is not registered for Showdown?
 - You may **choose any Tier 2 or 3 school** you would like to associate with, but stick with that respective school for all competitions. However, we will still **ensure ID verification**.

 - A team will consist of a minimum of 3 members and a maximum of 4. No player may play for two different teams in the course of a tournament.

- No notes will be allowed in any portion of the Knowledge Bowl.
- Cell phones, pagers, or any other electronic devices will NOT be allowed during the competition. Talking is NOT allowed during the written test portion, unless otherwise noted. Any violation of the rules will result in removal from the testing room and disqualification from the competition.
- Any decision made by the moderator is final. Arguing with the moderator will first result in a verbal warning or reminder. Subsequent instances of arguing will result in an immediate deduction of 50 points from the team score, with the possibility of expulsion and/or disqualification for excessive and/or repeated arguing.
- Matches will be played until all questions are answered or until the allotted 10-minute time is completed, whichever comes first.
- Only the finals round is open to audience observation. Any audience member who attempts to communicate with the competition teams in any way during the competition will be asked to leave the room. All cell phones must be silent in the competition room. No talking will be allowed.
- Cheating will not be tolerated. Any individual or team caught cheating will immediately be disqualified from the competition.
- First through third place will be awarded according to the highest points.

Any audience member who attempts to communicate with the competition teams in any way during the competition will be asked to leave the room. All cell phones must be silent in the competition room. No talking will be allowed.
- Cheating will not be tolerated. Any individual or team caught cheating will immediately be disqualified from the competition.
- First through third place will be awarded according to the highest points.

Final Round Rules

- The final competition is a 20-minute match consisting of two rounds, with a total of 48 questions; each round is 10 minutes and has 24 questions. The questions will be from all four categories.
- Both rounds will proceed jeopardy-style with a team representative choosing the category and point value. For example, a team representative may say "History for 300, please."
- Each team will be provided a buzzer(s) to respond to the moderator's question. However, the team member who buzzes in and is acknowledged will be the only one to respond to that question. The team with the lowest score will start off by choosing a category and point value.
- Only the first answer given by a team member may be accepted.
- After the moderator has completed the question, teams are allotted ten (10) seconds to buzz in. The team member who buzzes in will have five (5) seconds to confer and provide an answer, after the moderator has recognized the team member. (*No points shall be awarded unless the team member is first recognized by the moderator.*) If no team buzzes in before the 10 seconds are up the question is considered dead and the team who originally chose the question will choose a new question.
- A correct answer is awarded full points and the team may select another question. An incorrect answer or elapsing the 5 second time frame will result in the loss of total question point value from the team's total points unless otherwise noted in the rules.
- If a team buzzes in prior to the entire question being asked, the moderator will stop reading the question immediately and the team member then has five (5) seconds to confer and answer the question. If an incorrect answer is given, the team will lose all of the points allotted for that question. The moderator will then read the question, in its entirety, to the remaining team(s) to buzz in and answer.
- The opposing teams will then have the opportunity to buzz in within ten (10) seconds after the question is repeated and answer the question within the allotted five (5) second time period and at half of the original point value. If the team provides an incorrect answer or elapses the 5-second time frame, the team will lose 1/2 of the question point value. If the team(s) chooses not to answer, no points will be added or deducted from the team(s) score. The moderator will then provide the answer and the team to whom the question was initially posed to will be able to choose another question.
- The team with the highest number of points at the end of the twenty (20) minutes is declared the winner of that match. If the twenty (20) minute match time is completed in the middle of an answer, the team recognized is allowed to complete their answer. If it is missed, the other team(s) is allowed to provide an answer. No new questions may be asked after the ten (10) minute mark, unless there is a tie.
- In the event of a tie, one additional question may be asked as a toss-up question. The first team to buzz in and answer correctly wins the question points. All final rules outlined above apply.

T-SHIRT DESIGN

Deadline for submissions: Saturday, February 22nd @ 11:59 PM CT

Maximum entries per school: ∞ entries/school

Note: This is a pre-judged competition. No on-site judging will be held for this competition at Showdown.

Members from MSAs across Texas are encouraged to submit t-shirt designs for the 18th Annual MSA Showdown, which are to be worn by all early registrants.

Judging will be based on the following criteria:

1. The design must creatively pertain to this year's theme of "Paving the Path to Greatness: A Commitment to Excellence".
2. The design must include the words "MSA Showdown".
3. The design should not be handwritten and must be done on the computer (so the printing of the t-shirts is as close to the design submitted as possible).
4. The submission should include the design for the front of the t-shirt only.
5. The design must be at most in two colors; the color of the shirt does not count as a color.
6. The font used should be easy to read.
7. The design and text must be Islamically appropriate.
8. No forms of AI are permitted for this competition. Any usage is grounds for point loss and/or disqualification.
9. The designer's name cannot be on the design. Any identification information found on the design will be removed prior to judging.
10. Multiple submissions are accepted.
11. Please anticipate requests from LSC for certain changes to a design if it wins, such as color changes or additions of logos or other information.
12. The t-shirt should not contain Quranic ayahs (in English or Arabic) so people can wear the shirts anywhere without it being disrespectful to the Quran (i.e. the restroom or in a place of uncleanliness).
13. Submissions MUST be received via the submission form on the [LSC website](#) by the deadline. Designs submitted after the deadline will not be accepted. Have fun with this competition! It's meant to be an exchange of creative ideas.

VOLUNTEERING

Deadline for roster: Wednesday, March 5th @ 11:59 PM CT

Deadline for Shift Submissions: Sunday, April 13th @ 10:00 AM CT

Maximum entries per school: ∞ entries/school

Purpose

The purpose of the Volunteering Competition is to encourage community building and teamwork skills while enhancing the overall Showdown experience for guests. By participating, schools will contribute to the event's success while fostering a spirit of service and responsibility.

Description

Volunteers from each school must complete a certain number of volunteering shifts during Showdown to score points. Minimum required shifts are assigned based on tiers.

TIER 1	TIER 2	TIER 3
30 shifts	15 shifts	5 shifts

Participation in this competition is not limited to those listed on the roster. Those on the roster will have priority in shift selection. Anyone interested in volunteering may sign up for shifts through the volunteer interest form at any time until Showdown.

Shifts may be assigned on a first-come, first serve basis by the Volunteer Chair, at the Volunteer Check-in Desk, or at the discretion of a lead/head. At their shift, a volunteer must meet the lead/head, follow instructions, and complete the assigned tasks. Volunteers must **check in and check out separately** for each shift.

Upon shift completion, volunteers will **check out by filling out a check-out form**, submitting:

- Name
- School
- Lead's name
- Shift activity
- Shift time

Leads/heads will confirm shift completion. If a volunteer does not perform their assigned work, their shift **will not** be counted toward their school's required minimum. The validity of shift completion will be determined at the discretion of the lead/head overseeing the shift.

Any separately or pre-assigned tasks separate from the volunteering competitions will not count towards shift minimum.

Point Allocation:

- Schools will only receive points once they meet their required number of shifts.
- **No extra or fewer points** will be given based on merit
- Additional shifts completed beyond the required minimum will count towards schools placing as 1st, 2nd, or 3rd in their respective tiers

#RACETOSHOWDOWN2025

Purpose

The purpose of this competition is to promote MSA engagement by encouraging MSA members to travel to cities other than their own & meet members from different MSAs across Texas.

#RacetoShowdown is one of the most competitive contests for MSA Showdown. RTS asks MSA members to “journey” from one city to the next, collecting pictures and memories as fast as they can. This year, we invite MSA members to partake in RTS with a deeper meaning and purpose.

This year, our theme is: “Paving the Path to Greatness: A Commitment to Excellence.”, encouraging us to strive far beyond mediocrity in all aspects of life, inspired by Ihsan (excellence). This year in alignment of our roots and theme, we wanted the focus to be simple; MSAs visit MSAs. Your MSA team must attend one MSA event from every MSA in the following list to win the competition:

TWU DENTON MSA	TTU MSA	TAMU MSA	UNT MSA
TXST MSA	ST EDS MSA	RICE MSA	COLLIN COLLEGE MSA
ACC MSA	UTSA MSA	UTRGV MSA	UTT MSA
SU MSA	UTA MSA	UH MSA	AMSA - Lonestar Cyfair
SMU MSA	TCU MSA	TEXAS MSA	UTD MSA
	UHCL MSA	TU MSA	

General Rules

1. Your MSA team must attend one MSA event from every MSA in the following list to win the competition.
2. You must post on your MSA's official Instagram clearly showing that you are at the MSA events.
3. For each post, you must tag @msalsc, the respective MSA you are visiting, and mention the event name in the caption.
4. Each post must have a unique MSA member from your team to be accepted.
5. MSA members must be current students with proof if asked (not alumni).
6. You can only post one photo per day (CST) for the submission to be accepted.
7. Your MSAs or school's merch must be clearly shown in the photo for the submission to be accepted.
8. Ensure all photos are clear and Islamically appropriate for public display.
9. Point Structure: The first to complete or have the most posts by the Sunday, April 6th at 11:59 PM CST receives 40 points in total. Second place receives 35 and third place receives 30 points.
10. If you do not place, this year we are adding a new rule where you can gain points for Showdown without placing in RTS. Every post submitted by the Sunday before Showdown at 11:59 PM CST will each count for 1 point towards your overall showdown score.
11. Every event that you choose to go to must be able to be verified through a logo on a flyer/advertisement if need be.
12. Collaboration events between multiple MSAs do count for RTS but you may only pick one of the MSAs to use for a post. You cannot use an MSA if you are one of the collaborators for the MSA event.
13. Collab events between MSAs and/or other organizations do not count if the MSA's logo is not on the flier. Collaborating on a feed post/flier does not count as a collab event and cannot be used as an RTS event.
14. Any dispute will be up to Lone Star Council (LSC) discretion.

PROJECT SADAQA: HUMAN APPEAL

HEALING WITH MOBILE HEALTH CLINICS

Purpose

Created by MSA Lone Star Council (LSC), Project Sadaqa is an annual collaborative effort from all MSAs to give back to those in need. This initiative started in 2013 when Texas MSAs came together at the state capitol to volunteer. Project Sadaqa aims to build relations with our community by volunteering our time and efforts to help those in need. From now until Showdown 2025, MSA members will raise as many funds as possible with their respective schools. At the end of the given time frame, the funds will be collected from all the schools by LSC and donated to the cause chosen for this year.

Who is Human Appeal?

Human Appeal USA is a non-profit organization working across the globe to strengthen humanity's fight against poverty, social injustice, and natural disasters. Through the provision of immediate relief and the establishment of self-sustaining development programs, they aim to invest in real, effective solutions.

Human Appeal works year-round to establish healthcare, education, and livelihood programs that pave the way for empowered, self-serving communities. They also provide food, medical aid, and disaster relief during emergencies, a critical intervention that saves lives. Their skilled local teams access some of the most hard-to-reach places in the world, at their most vulnerable of times.

The Project

The make-shift mobile health clinic project aims to establish and operate one medical point in the middle or southern areas of the Gaza Strip. This clinic focuses on addressing healthcare gaps and providing essential services to local residents and displaced populations. The mobile clinic will offer medicine, nursing, and pharmacy services.

General Rules

1. Schools will be competing to fundraise the most amount of money for Project Sadaqa. MSA's will be competing against the schools in their respective bracket (Tier 1-3) to ensure fairness of having similar resources.
2. The first place school *in each bracket* will win 35 Showdown points. The second place will win 30 Showdown points and third place school will win 25 Showdown points.
 - ADDITIONALLY, any school may receive 15 Showdown points if they are able to fundraise a certain minimum amount. This minimum amount will be different for each MSA Tier. The specific amount set for each tier will be released at a later time before the competition begins.
3. Competition ranking is determined by the total money raised through an MSA's respective LaunchGood campaign (including online & offline donations).
4. MSAs participating in Showdown are required to have a [Project Sadaqa LaunchGood page](#). Details on the setup process can be found [here](#).
5. All offline donations (cash & checks) will need to be turned in by Thursday, April 10th at 11:59 PM CT to any LSC officer or via Venmo (@msalsc) or Zelle (finance@msa-texas.org). Please be sure the MSA LaunchGood page reflects the funds that have been collected offline as well.
 - If using Venmo or Zelle, include the following in the description: *MSA name + Project Sadaqa offline donations*.
 - Do not send us a donation every time an offline donation is collected. Only send us your total offline donations collected.
6. MSAs are required to host at least one informational event that allows the public to learn about this year's cause. Examples include booths, banquets, and lectures.
7. Use #ProjectSadaqa2024 to be featured on LSC's social media platforms!

TEAM SPIRIT

Purpose

The purpose of this category is to promote unity and brotherhood/sisterhood among MSA chapters. When MSAs exhibit teamwork, anything can be accomplished.

Team Spirit is split into three categories. Each category will have one school as its winner, and the winning school will receive 5 Showdown points. LSC will be the ultimate judge of this.

- Best Chant (10 points)
Schools will be judged based on chants performed during Roll Call. Schools should aim to exhibit creativity and uniqueness. Schools who chant out of turn at Roll Call **WILL** receive negative points based on LSC's discretion.
- Best School Drip (10 points)
Schools will be closely monitored throughout the Showdown weekend and judged based on their school uniformity in terms of merch/outfit coordination.
- Most School Hype (10 points)
This category will be evaluated on the student's representation of their school by their spirit gear, participation, and other school-related paraphernalia. Schools utilizing prohibited material (as outlined in General Guidelines) will receive negative points.

Any derogatory remarks or actions made toward other teams or any other sort of unacceptable behavior will result in teams LOSING POINTS OFF OF THEIR OVERALL SCORE. MSA officers from each school will be notified if there is an issue before disqualification.
